Dear Parents,

Welcome to Kinder Prep! This fall will be an exciting time for you and your child, and we will do everything we can to make your child's experience a positive one.

Kinder Prep serves four and five-year-olds (4 by Dec. 31). This handbook relates important information about the Kinder Prep program. Please read it thoroughly and if you have questions, please call the Community Education Supervisor at 480-987-5300 Ext. 1031.

To receive maximum benefit from Kinder Prep, each child should be prepared to demonstrate the following skills:

- Recite first and last name
- Count to ten
- Cut with scissors

Other ways to assist in making a successful transition from home to school are by:

- Taking your child to the public library
- Having your child dress him/herself
- Expecting your child to do simple chores around your home.

In helping your child accomplish these skills, please remember that some children are not as ready as others to succeed in doing these tasks. If your child is resistant to these activities or not interested, wait for several weeks and try again. Learning should be fun and a time for growth for your child.

We are looking forward to working together with you as part of our team!

Daily Schedule

Kinder Prep is exciting and unique in many ways. It is a positive, child-oriented program with a hands-on, active approach toward learning. This approach includes the extensive use of manipulatives, learning by doing, and encourages active involvement in problem-solving. The following is an example of a typical Kinder Prep day:

1. Whole group welcome & opening activities
2. Whole group story time
3. Whole group lesson – Reading, Writing, Math, Science, and Social Studies
4. Independent Activities – An extension or follow-up of whole group lesson
5. Centers
6. Recess – Independent or group activity
7. Closing activity and dismissal

Academics

The program follows an integrated curriculum that has been designed with week-by-week coordinated lessons covering a variety of objectives prescribed by the J.O. Combs Unified District. Adjustments and improvements are continually made to include innovative methods and practices. The J.O. Combs Early Learning team meets weekly for lesson planning sessions and to coordinate special events.

Language and Literacy

Language and literacy are foundational to the curriculum and are strongly supported by the Kinder Prep staff. We emphasize the introduction and mastery of pre-reading skills (letters, phonics, blending). We present one letter per week and surround the child with literature and activities involving its identifications, phonetic sound, and proper formation.

Math Skills

The program uses a variety of manipulatives that complement and enhance a child's natural desire to experience learning through concrete methods. We cover patterning, sorting, counting, more/less, adding/subtracting, and ordinal numbers.

Social and Emotional Development

Along with academics, your child's social and emotional development is fostered through lessons and activities that will help build self-confidence and self-esteem. The opportunity to work quietly,

independently, and as part of a group, is interwoven throughout the program. Your child will further develop listening skills, the ability to cooperate and share with others, and verbal and reasoning skills. We encourage the students to ask questions and to ask for help when they do not understand the information. We strive to have each student feel good about trying their best and to know that it is okay to make mistakes. We provide a safe, nurturing, and positive environment while encouraging students to demonstrate respect for their peers and for the various teachers, aides, and administrators on our campus.

Homework

Fun family activities will be sent home periodically as reinforcement and extension of the material covered in the daily lessons, such as:

- letter, color, & number recognition
- emergent handwriting skills
- drawing & coloring

- Our Kindergarten Prep program has partnered with the [First Things First – Quality First Initiative](#). Scholarships for Kinder Prep tuition are available through First Things First. If you are interested in a Kinder Prep scholarship, please contact the Community Education Supervisor at 480-987-5300 Ext. 1031 for an application form.

Late Sign-out Fees

- The administration realizes that situations occur which cannot be anticipated, but the Kinder Prep AM program ends at 11:30am and for Kinder Prep PM ends at 3:30pm. Beginning at 11:35 a.m. or 3:35pm, a late sign-out fee of \$15.00 will be charged for any portion of the first 15 minutes and for each 15-minute interval thereafter, etc. The student will be placed in Young Coyotes until the parent picks up. Late fees will be assessed on a per-family basis and must be paid no later than the last day of the month in which the late sign-out occurred. If a child is still present one hour after the program's end time, the Pinal County Sheriff's Office will be contacted for assistance.
- **PLEASE NOTE:** These policies are not intended to be harsh or punitive. We ask for your cooperation in these matters to ensure student safety, meet program expenses, and maintain proper staff/child ratios.

Health and Safety

- Children who show symptoms of inflammation, fever, rash, or lice, or who are suspected of having a contagious or infectious disease or infestation, will not be accepted into the program until such symptoms are no longer evident.
- If a child develops symptoms of illness or infestation or is seriously injured at school, parents will be notified immediately.
- No medications can be administered by Kinder Prep staff.
- Children must be potty trained to attend Kinder Prep.
- In case of an emergency, as determined by the Kinder Prep staff or school nurse, paramedics will be called and the parent will be notified immediately. Parents will be responsible for all costs incurred in such emergencies.
- It is the parent's responsibility to inform Kinder Prep staff of any changes in home phone or address, place of employment, business or cell phone numbers.
- Fire drills are held monthly. The escape plan is posted at each door.

Behavior Guideline

- Parents and teachers are viewed as partners in guiding the child's development and this team approach will be utilized. Parents will be kept abreast of concerns if they should arise.
- If the teacher and coordinator determine that a child cannot benefit from the program or

presents a danger to self or other children, the child may be administratively withdrawn from the program.

- The following 5-step plan will be utilized to maintain a positive learning environment for all children.
 - Verbal warning – positive redirection
 - Placed away from the current activity – positive redirection
 - Phone call to parent
 - Conference on site with staff, parent and child
 - Request to withdraw from the program

Food and Nutrition

- Parents are encouraged to provide a snack and drink for your child. Please refrain from sending candy and soft drinks to school.
- Unsealed products and homemade items are not allowed. These guidelines are set by the state regulations.

Outdoor Play and Clothing

- Outdoor play is an important part of your child's day and total health. Weather permitting; the children will play outdoors each day. Please make sure that your child is dressed for the existing weather conditions.
- All clothing jackets, backpacks, and other personal belongings should be clearly labeled with your child's first and last name.
- Please dress your child for comfort. Your child should wear practical, washable clothes. Sturdy shoes or tennis shoes are recommended. Flip flops, some sandals, cowboy boots, and other slick-soled shoes may prevent children from playing freely and should not be worn.

Parent Involvement

- Kinder Prep staff welcomes comments and suggestions to improve the quality of care and education for your child. If areas of concern arise, the concern should be brought to the attention of the classroom staff before or after class. If additional communication is necessary, the coordinator will be available.
- Parents are encouraged to observe in the classroom and volunteer as often as possible.
- Parents are encouraged to keep abreast of information about the Kinder Prep Program and its operation by watching for special notices sent home with their children.

Pesticides

- We limit the use of pesticides and herbicides in our program. If it is necessary to use pesticides or herbicides, they are applied by a licensed professional when children are not present. Material Safety Data Sheets (MSDS) for all chemicals used in pest control are kept on file at the J.O. Combs District Office. Notice of Pesticide Application with dates of application is posted at the site. Changes to these dates will be posted within 48 hours advance notice before application.
